—The Oak Park spot [Amerikas](#), 734 Lake St., has a couple surprises for Dad. Fathers will be treated to half-off Amerikas' signature Ancestral Old Fashioned, which features Amerikas-brand smoked mezcal, demerara sugar, orange bitters and aromatic bitters. The Father's Day festivities do not stop there though, as the restaurant will also offer a special tomahawk steak, a dish only available on Sunday, June 16.
